### Advertisement

The advertisement is a screenshot of a website for 'Manuscript Peer-Review Process'. The header includes the logo, navigation links (About MPRP, Journals, Support and Training, Contact us, Track article status, Register, Login), and contact information (Email: support, editoroffice@ipinnovative.com, Support: +91-11-6384414, 6384415 | 9950436448 | 88). The main content area features the title 'Manuscript Peer-Review Process' and a detailed description of the web-based portal. It highlights that the portal is accessible 24/7 and offers various editorial services like journal pre-publication, editorial workflow, and post-publication services. It also mentions that the portal is a single independent platform requiring no software installation, only a username and password. A small illustration shows a person at a desk with a laptop and a globe. Below the text, it states 'MPRP manages all the authors, reviewers, editors' details and its integration with social and professional networks. It is an in-house product of IP Innovative Publication Pvt. Ltd. The advertisement concludes with the heading 'Why MPRP?' and a partial sentence: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.

## Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

### Why MPRP?
